COURSE SYLLABUS

Intro to Corporate Finance (Self-Paced)

Learn the essentials of corporate finance at your own pace, including capital allocation, corporate valuation, initial public offerings, financial instruments, and mergers and acquisitions. Real-world case studies and live pricing examples help connect these concepts to practical finance scenarios.

Group classes (Live Online) and onsite training are available for this course. For more information, email corporate@nobledesktop.com or visit: https://www.nobledesktop.com/classes/corporate-finance-online
