COURSE SYLLABUS

Premiere Pro in a Day (Self-Paced)

Get up to speed on Adobe Premiere Pro fundamentals in this accelerated class. You'll build the skills to organize projects, create sequences, fix audio and color, bring in B-roll, animate images, edit clips, add lower third titles, and export final videos ready for social media. It's a perfect fit for anyone who wants a quick, essential introduction to Premiere Pro.

Group classes (Live Online) and onsite training are available for this course. For more information, email corporate@nobledesktop.com or visit: https://www.nobledesktop.com/classes/premiere-pro-in-a-day-self-paced
