COURSE SYLLABUS

Entering the Web Development Industry (Self-Paced)

Find out how to land a job as a web developer. In this course, you'll get a sense of what a typical day in the industry looks like, build a portfolio, connect with tech recruiters, and sharpen your interview skills through practical, hands-on workshops.

> Group classes (Live Online) and onsite training are available for this course. For more information, email corporate@nobledesktop.com or visit: https://www.nobledesktop.com/classes/web-development-industry-portfolio-self-paced
