

# WordPress: Create a Website or Blog

Learn how to create and maintain a website using WordPress, even if you have no web design background or coding experience. This comprehensive course will cover everything from installing WordPress to customizing themes and optimizing your site for search engines.

Group classes in NYC and onsite training is available for this course. For more information, email [corporate@nobledesktop.com](mailto:corporate@nobledesktop.com) or visit: <https://www.nobledesktop.com/classes/wordpress>
