

Adobe InDesign Bootcamp

Get a solid understanding of InDesign so you can create page layouts with type and graphics. In this class you'll start with the basics and then move on to intermediate and advanced features. You'll work on a variety of projects such as books, magazines, and advertisements... learning about paragraph/character styles, colors, master pages, baseline grid, hyphenation, tables, and more.

Group classes in NYC and onsite training is available for this course. For more information, email hello@nobledesktop.com or visit: nobledesktop.com/classes/indesign-beginner
