

Adobe XD Advanced

Take your Adobe XD skills to the next level and dive deeper into this powerful UX/UI design app. Learn to create complex and realistic prototypes using component states (such as hovers), make animations using auto-animate, define scrollable areas using scroll groups, scroll up/down within a page using anchor links, add audio, 3D transforms, and more

Group classes in NYC and onsite training is available for this course. For more information, email hello@nobledesktop.com or visit: <https://www.nobledesktop.com/classes/adobe-xd-advanced>
