Course Outline

This package includes these courses
Adobe InDesign Bootcamp (18 Hours)

Adobe InDesign Bootcamp

Learn how to design professional page layouts using Adobe InDesign, working with text, images, and multiple pages. This course covers essential tools, styles, and advanced techniques for creating books, magazines, and advertisements.

- Create layouts with text, images, and color while applying professional design techniques.
- Use paragraph and character styles to ensure consistent formatting across documents.
- Master text formatting, including kerning, tracking, hyphenation, and bulleted lists.
- Work with tables, anchored frames, and libraries to organize content efficiently.
- Utilize master pages, automatic text flow, and running heads for multi-page projects.
- Prepare files for print or digital export, including packaging and PDF generation.
