Course Outline

This package includes these courses

- InDesign in a Day (6 Hours)
- Photoshop in a Day (6 Hours)
- Illustrator in a Day (6 Hours)
- Premiere Pro in a Day (6 Hours)
- After Effects in a Day (6 Hours)

InDesign in a Day

- Create layouts with text, color, and graphics
- Import and style text & graphics
- Create & apply color
- Create a brochure and 2–page magazine ad
- Prepare your files for final output: printing or PDF

Photoshop in a Day

- Learn to retouch photos
- Improve your images by adjusting color, contrast, and more
- Design graphics that combine photos, text, and graphics such as logos (can be used in social media & more)
- Save your images in the appropriate files formats for use on the web or print

Illustrator in a Day

- Create different types of graphics, such as a logo or icon
- Use the Pen tool to create digital (vector) drawings. Our tracing templates will make it easier for you to master this drawing tool.
- Learn about shapes, brushes, and paint tools.

Premiere Pro in a Day

- Learn to edit video & audio
- Add B-roll (extra video to make it more interesting)
- Bring in photos/logos and animate them
- Add transitions
- Export your videos for sharing on social media or delivering to a client

After Effects in a Day

- Create animations with graphics such as logos and photos
- Become familiar with the interface, timeline, and layers
- Import and use layered files from Photoshop & Illustrator
- Animate the individual components of a logo
