

Premiere Pro in a Day

Get started with video editing techniques in Adobe Premiere Pro. In this one-day Premiere course, you'll learn file structure and organization, importing footage, exporting, using the Timeline, creating titles, working with PSDs, and audio tracks by working on real film projects.

Group classes in NYC and onsite training is available for this course. For more information, email hello@nobledesktop.com or visit: nobledesktop.com/classes/premiere-pro-workshop-nyc
