

Video Editing & Motion Graphics Certificate

Become a Video Editor or Motion Graphics Designer. Learn video editing, motion graphics (animation and video effects), and audio editing with Adobe Premiere Pro, After Effects, Cinema 4D Lite, and Audition. Then showcase what you've learned by creating a demo reel with video editing and motion graphics projects.

Group classes in NYC and onsite training is available for this course. For more information, email hello@nobledesktop.com or visit: <https://www.nobledesktop.com/certificates/video-editing-motion-graphics-certifi>
