

WordPress: Create a Website or Blog

WordPress enables you to create and maintain a website, even if you have no web design background. Whether you want to create a new website or blog, or manage an existing WordPress website, this class is for you. This course is geared for anyone, so you do not need prior experience with computer graphics or coding.

Group classes in NYC and onsite training is available for this course. For more information, email hello@nobledesktop.com or visit: nobledesktop.com/classes/wordpress
